

Fabian Ryuhei Berg Jürgensen

USCPA · Audit Professional at Deloitte Tohmatsu · Accounting × AI Automation

Tokyo, Japan | drakunweb@gmail.com | linkedin.com/in/fabianryuheiberjurgensen

PROFESSIONAL SUMMARY

USCPA-qualified audit professional in the second year at Deloitte Tohmatsu LLC, a Big Four assurance firm, specializing in statutory financial-statement audits and internal control evaluation. Combines a solid foundation in accounting, auditing, and business English with hands-on experience automating professional workflows using AI tools (Claude Code, ChatGPT, and MCP integrations). Previously operated independently as a freelance professional. Currently pursuing the Certified Internal Auditor (CIA) credential to deepen internal-control expertise.

CORE COMPETENCIES

- Statutory & Financial-Statement Audit
- US GAAP & Accounting Standards
- AI Workflow Automation (Claude Code, MCP)
- SME Business Planning
- Internal Control Evaluation (J-SOX / ICFR)
- Business English & English Accounting
- Data & Document Automation (Excel/CSV/PDF)
- Government Subsidy Applications

PROFESSIONAL EXPERIENCE

Deloitte Tohmatsu LLC (Deloitte Touche Tohmatsu)

Tokyo, Japan

Audit Associate — Assurance

[20XX] – Present

- Perform statutory financial-statement audits as a member of engagement teams, executing substantive testing, analytical procedures, and audit documentation.
- Evaluate internal control over financial reporting (ICFR / J-SOX), assessing design and operating effectiveness of key controls.
- Build AI-assisted automation for recurring audit tasks — workpaper preparation, prior-year comparison, and data formatting — improving team efficiency.
- Coordinate with clients and team members to deliver audit deliverables on schedule, including English-language accounting matters.

Independent Freelance Professional

[Location]

Self-Employed — Accounting & Business Support

[20XX] – [20XX] (approx. 6 months)

- Provided accounting and business-planning support to small and medium-sized enterprises.
- Supported preparation of business plans and government subsidy applications, including work related to Nakagawa Japan Co., Ltd.
- Applied AI automation to streamline document creation and data processing for clients.

CERTIFICATIONS

- U.S. Certified Public Accountant (USCPA) — Passed all examination sections
- Certified Internal Auditor (CIA) — In progress (target 2026–2027)
- TOEIC — [score — to confirm]
